Buckingham is situated on the A421, exactly half-way between Milton Keynes (M1, Junction 13 or 14) and the M40 Junction 10, approximately 15 miles from each.

Buckingham Industrial Park from the M40:

- Leave the M40 at **Bicester, Junction 10** (Churwell Valley Services).
- Take the **A43 for about 4 miles**
- At the roundabout, **turn right onto the A421**
- As you come into Buckingham, **stay on the A421** (over some small roundabouts) until you come to a long down-hill slope (You should see an Esso Petrol Station and Best Western Hotel on the right hand side).
- 200 meters past the petrol station, at the bottom of the hill, is a turning on the right sign-posted 'Buckingham Industrial Park'. BUT there is NO RIGHT TURN into the Park. Instead, continue to the next roundabout (approx 100 yards), and come back from the other direction.

Buckingham Industrial Park from the M1:

- From the M1, leave at either **Junction 13 or Junction 14** (Milton Keynes), followed signs for Buckingham on the **A421** also known as "**H8**". (Milton Keynes roads follow a grid numbering system, with all horizontal road being number "H1" to "H10" and all vertical roads being number "V1" to "V10".)
- You will be directed around dozens of roundabouts, but end up on the A421 (H8) eventually. **Stay on the A421** until you enter Buckingham.
- At the first roundabout, **turn left**, signposted towards Bicester/Banbury.
- At the next roundabout (with a Fina petrol station, Little Chef and a Tesco store), go **straight over** (again, staying on the A421 signposted Bicester/Banbury)
- 100 meters past this roundabout is a **turning on the left** signposted 'Buckingham Industrial Park'. Turn in here. (If you reach a hotel and petrol station of your left, you have gone too far!)

Important note regarding electronic maps :

Many electronic maps that use postcodes to locate addresses (including in-car satellite navigation systems, route-finder software and map websites) incorrectly locate us within the Industrial Park. We strongly recommend that if you use their directions to reach the Industrial Park, please use our directions once inside the entrance to the Park. Systems that use street names instead of postcodes are not effected.

Once in Buckingham Industrial Park:

- The road ("Great Slade") will bend around sharply to the right, then back to the left (becoming "Middle Slade") as it goes uphill.
- Take the **first turning on the left**, into 'Ball Moor'.
- At the end of the road is a square car-park, with buildings on three sides.
- DGL is the second green building from the left
- Either use the parking spaces directly in front of our building, or any available space in the centre of the car park. Parking is never a problem, as there is always ample space.
- As you enter the building, please go straight up the stairs to Reception.
